Jimi House — Director

As we say goodbye to 2023 and begin the new year, I wish you a time of reflection of all the good thing you have. The new year reminds us of keeping our connections, savoring remembrances, and starting the future with hope. May each month of 2024 be overflowing with adventure and great memories. So looking forward to the new year with abundance and successful rides and activities. Your chapter officers will be working on the '24 calendar. Lot's of things happening including a regional rally, details will be coming soon. As soon as we get calendar worked out we will be posting it on our GRHOG.com website, so please be patient. Our next chapter meeting will be Jan. 20th, sign in 10:30, meeting starts 11:00 a.m. As we work things out there will surely be changes and updates, so watch for eblasts for that info. One reminder we have 3 appointed officer positions to fill, Events, Awards/Merchandise, LOH, so think about volunteering to fill these positions, it's what makes this great GRHOG chapter. If you need any additional info on these please feel free to contact any of the Primary Officers.

THINK SPRING

Brenda Ruder — Secretary

Greetings from the Secretary Desk

Happy New Years !!! Hope you all had a great holiday season. I know it can be very busy but time with friends and family can comfort the soul. Thank you to all that were involved with the Christmas party, it was nicely done and appreciate the time that was dedicated to making it a success. As we get started on the new year the officers will be plugging away and getting things scheduled for 2024. We are continuously planning and making things fun for our chapter group, A lot of behind-the-scenes planning goes on. Unfortunately, we don't have that magical calendar where things just appear. So, stay tuned to upcoming events. If you are looking to get involved somehow in a position with the chapter, talk to your primary officers. We would like to hear from you and don't be shy cause there is a place for each one of you. That is what makes a chapter complete, and we all work together. Many of you may have heard or seen on GRHD social media page that AP is the General Manager for GRHD. Congratulations to AP and look forward to seeing what is in store for the dealership. Hope you will be able to join us for a ride in the upcoming riding season. GRHOG Chapter #3170 would like to thank Tim Crawford for all you did at the dealership and for the chapter. We wish you well in your new position. Don't be a stranger and hope you will still join us at events or just stopping out to the dealership. Just because it is winter and not riding doesn't mean that there are nothing going on. Check the calendar and social media for upcoming things. Chapter meeting is a good way to start getting plugged in and the Saturday morning breakfast at Hudsonville Grille. If you needed a New Years resolution this would be a great start. It does make time go a little quicker when you're active in the chapter. Next thing you know we are rolling out the motorcycles. Let's make 2024 a great year! !!!
